(3) COMPUTER SPECIFICATION (Intel/AMD, Speed, Memory, OS version):

This License Agreement is made between Crosslight Software Inc. of British Columbia, Canada (the licensor) and the licensee listed in (1) above. The licensee is granted permission to use, and to copy for his/her own use on the device(s) specified in (3), a binary format copy of the software package for a **period suitable for the training schedule** in (2) above (typically weeks). This permission is given for the purpose of software training/tutorial as stated in (2) only. The licensee acknowledges that this license does not confer any proprietary rights to the licensee, nor any rights of any kind beyond the duration of this lease. In no way shall Crosslight be responsible to the licensee for any special, direct, indirect, incidental, or consequential damages arising out of or relating to the software. The licensee agrees to take all reasonable steps to ensure that the software and documentation are not disclosed or duplicated in whole or in part for use of others nor for use by the licensee on devices other than listed in section (3). The licensee further agrees to destroy all copies of the software and related documents at the end of the license period from the computer listed in (3). **This agreement must be signed by a person holding a position with signing authority (such as manager, group leader, or professor).**
